

Hardship Application

Information

Pioneer Credit Solutions Pty Ltd ("Pioneer Credit") offer specifically tailored treatment for customers who are experiencing financial hardship, whether it is temporary (as is often the case), or of a more permanent nature.

If you are experiencing hardship, and you have an open account owed to Pioneer Credit, we will work with you, and may be able to vary your contract to assist you.

Our hardship process is based on the below steps:

- In circumstances where a customer verbally advises Pioneer Credit of a desire or intention to apply for a hardship variation, or when a customer sends in this written hardship application, the account will be allocated to a member of the Operations Hardship Team.
- We will attempt to contact you via telephone for initial hardship conversation as soon as practicable to complete the process verbally. If the initial contact is not at a suitable time or the information is not available, we will arrange a suitable call-back appointment within the next five business days.
- We will finalise our response to your hardship application in a prompt and efficient manner - and at least within 21 days of the date you provide us all relevant information.
